Safari packing list

Your essentials for shared lodge and tented-camp safaris.

Clothing & comfort

- [ ] Light neutral-coloured shirts and trousers
- [ ] Long sleeves for sun and insects
- [ ] Warm fleece or jacket for early game drives
- [ ] Comfortable closed shoes, socks and a sun hat
- [ ] Swimwear if your accommodation has a pool

Health & everyday essentials

- [ ] Sunscreen, sunglasses and insect repellent
- [ ] Personal medicines and copies of prescriptions
- [ ] Small first-aid kit and hand sanitiser
- [ ] Reusable water bottle and a small day bag
- [ ] Soft-sided luggage; confirm any flight baggage limits

Documents & safari equipment

- [ ] Passport, visa approval and return travel details
- [ ] Insurance certificates and emergency contacts
- [ ] Camera, spare batteries and binoculars
- [ ] Power bank and a suitable Type G / Type D adapter
- [ ] Offline copies of bookings and travel documents

Choose muted clothing; dark blue and black can attract tsetse flies. Avoid single-use plastic carrier bags. Ask your clinician about malaria prevention and whether your route requires a yellow-fever certificate. Confirm luggage limits with your airline and safari team.
